

## REMARKS

This Amendment is submitted preliminary to the issuance of an Office Action in the present application.

Applicant has amended claims 1 to 10 to remove any multiple dependency of the claims, and to present them in proper form and language and to better encompass the full scope and breadth of the invention, notwithstanding applicant's belief that the claims would have been allowable as originally filed.

In addition, applicant has amended the specification to provide proper headings, and to correct obvious typographic errors.

When the Examiner takes this application up for action, s/he is requested to take the foregoing into account.

Respectfully submitted,

By:
